

ONB Results Relative to Target

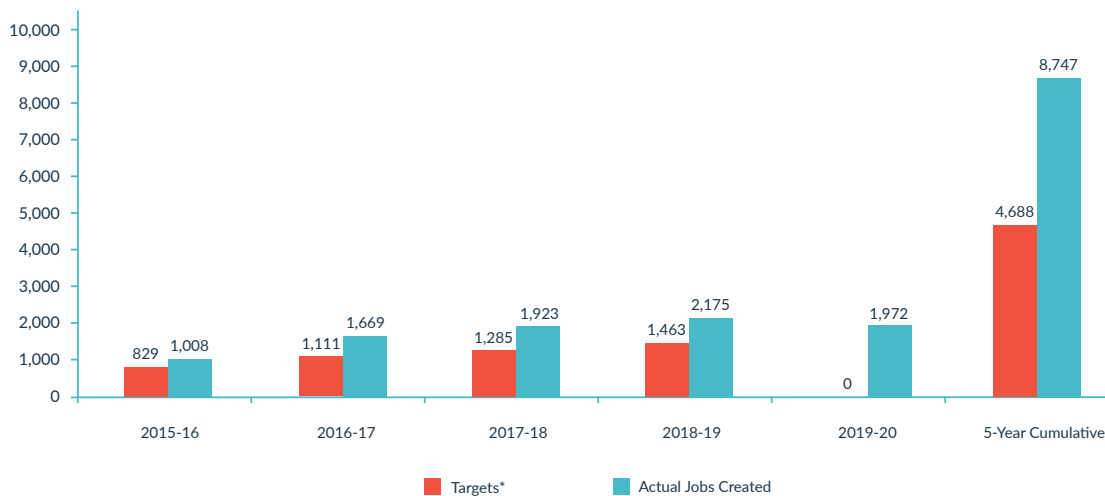

Committed Jobs Relative to Target

Committed Jobs represent the total number of jobs anticipated to be created by companies as defined in the signed agreements with ONB.

**Targets were not established in 2019-20 due to a mandate review that was under way therefore comparison to target is not possible.*

Actual Jobs Created Relative to Target

Actual Jobs Created represents the total number of people employed as a direct result of ONB's support.

**Targets were not established in 2019-20 due to a mandate review that was under way therefore comparison to target is not possible.*
